SUMMARY

A driven and meticulous Computer Application graduate with excellent problem-solving abilities. Enthusiastic about utilizing academic expertise and advancing as a developer in a dynamic and challenging setting.

SKILLS

Programming :	Database :	Version control :	Front - end :
<ul style="list-style-type: none">• Python	<ul style="list-style-type: none">• SQL	<ul style="list-style-type: none">• Git and Github	<ul style="list-style-type: none">• Html• CSS• JavaScript

EDUCATION

Bachelor of Computer Application

SCP JAIN COLLEGE

MADRAS UNIVERSITY

2021-2024
FIRST CLASS

PROJECT

Employee Management System using Python

Developed a User-Friendly Employee Management System using Python, Tkinter and SQLite to manage employee data, allowing easy record creation, updates, and search functionalities. Implemented input validation and optimized database queries to ensure smooth performance, error-free data handling, and efficient retrieval of employee information
